Coomera Indoor Sports Centre Project

The Coomera Indoor Sports Centre will provide an important piece of community infrastructure for one of the Gold Coast's fastest growing regions.

Located within Coomera Sports Park, this new multi-purpose facility will accommodate a range of elite and community sports such as netball, volleyball, basketball and gymnastics.

The venue has been designed to world-class competition standards with potential for elite training and competition use. Key features of the venue design include a gymnastics arena, mixed-use sports courts, meeting room facilities and a kiosk.

The Coomera Indoor Sports Centre is scheduled for completion in late 2016 and will host the Gymnastics competition and Netball finals for the Gold Coast 2018 Commonwealth Games™ (GC2018).
About the Coomera Indoor Sports Centre

The Coomera Indoor Sports Centre features eight mixed-use sports courts and a gymnastics arena. Other ground floor facilities include change rooms, public amenities, meeting rooms and a kiosk. The upper level will accommodate meeting rooms, a function room and spectator seating.

- **Project budget**
  $40 million

- **Project timeframes**
  Construction - early 2015 to late 2016

- **Community sporting facilities**
  - eight mixed-use sports courts
  - gymnastics arena
  - change rooms
  - meeting rooms
  - function rooms
  - kiosk
  - approximately 200 car parking spaces

- **Capacity**
  350 permanent seats with provision for expansion to 7600 with the addition of temporary seating.

- **Site area**
  - site area approximately 39,500 metres square
  - building footprint area 11,760 metres square
  - span of roof 82 metres by 168 metres
  - clearance of the roof 23 metres

- **Materials**
  - 600 tonne of structural steel
  - 6500 metres square of wall cladding
  - 1630 metres square of external glazing
  - 13,750 metres square of roofing
  - 6000 cubic metres of concrete

- **Managing Contractor**
  Hansen Yuncken

- **Architect**
  BDA Architecture in association with Peddle Thorp

This project is jointly funded by the Queensland Government, Australian Government and the City of Gold Coast.
