Dear Mrs Dore

**AP2025/001 – SDA application for a material change of use for infrastructure facility (gas transportation and electricity distribution infrastructure) and services infrastructure (water distribution) in the Surat Basin Infrastructure Corridor State Development Area**

Receipt of your SDA application for a material change of use for infrastructure facility (gas transportation and electricity distribution infrastructure) and services infrastructure (water distribution) in the Surat Basin Infrastructure Corridor SDA is acknowledged. The application was deemed properly made on 19 March 2025 in accordance with section 84D of the *State Development and Public Works Organisation Act 1971*.

Please find enclosed a request detailing the additional information required in order to properly assess your application. In accordance with Part 8, section 8.2 (5) of the Surat Basin Infrastructure Corridor SDA Development Scheme (February 2014), your response to the Office of the Coordinator-General is due on or before 26 June 2025. The application will lapse if you do not provide, to the satisfaction of the Coordinator-General, all of the requested information by the required date OR part of the requested information by the required date together with a notice asking the Coordinator-General to proceed with the assessment of the application OR a notice stating the requested information will not be provided and requesting the Coordinator-General proceed with assessment of the application.

Furthermore, in accordance with Section 8.2(11) of the SBICSDA Development Scheme, it has also been determined that the referral, public notification and review stages of the assessment process do not apply to your application as the development has already been subject to another referral and public notification process as outlines in the application's planning report. As a result, the Coordinator-General is satisfied with the referral and public notification undertaken.
