

Impact Analysis Statement

A Summary Impact Analysis Statement (IAS) must be completed for all regulatory proposals. A Full IAS (see Box 1) must also be completed and attached for proposals that have significant impacts. Once completed, the IAS must be published.

Summary IAS

Details

Lead department	Department of State Development, Infrastructure and Planning
Name of the proposal	Amendments moved during consideration in detail by the Honourable Jarrod Bleijie MP, Deputy Premier, Minister for State Development, Infrastructure and Planning and Minister for Industrial Relations
Submission type (Summary IAS / Consultation IAS / Decision IAS)	Summary IAS
Title of related legislative or regulatory instrument	<i>Forest Wind Farm Development Act 2020</i>
Date of issue	9 October 2025

Proposal type	Details
Regulatory proposals where no RIA is required	The proposal to repeal the <i>Forest Wind Farm Development Act 2020</i> is machinery and deregulatory in nature as it proposes to repeal redundant legislation and provides no change in the regulatory burden on any business, government or the community stakeholders. No regulatory impact analysis is required under the Better Regulation Policy.

*Refer to [The Queensland Government Better Regulation Policy](#) for regulatory proposals not requiring regulatory impact analysis (for example, public sector management, changes to existing criminal laws, taxation).

Signed

John Sosso
