

# Contract Special Condition Clause

## Queensland Charter for Local Content

This clause applies if specified in the Annexure.

The Contractor must, and must ensure its subcontractors, in carrying out the work under the Contract:

- a) comply with the principles of the Queensland Charter for Local Content (Charter) and any requirements under the Contract in this regard;
- b) comply with any Statement of Intent or equivalent local content statement under the Contract;
- c) complete and submit a Queensland Charter for Local Content - Project Outcome Report (available from <http://www.statedevelopment.qld.gov.au/charter>) to the Principal at practical completion and at such other times as reasonably requested by the Principal, with a copy to [qclc@qld.gov.au](mailto:qclc@qld.gov.au).

Agencies issuing grants should ensure the funding agreement requires the Project Outcome Report to be completed as a requirement under the final milestone or payment. Where the grant recipient has appointed a managing contractor to complete the project, the Project Outcome Report should be completed by the managing contractor.
