

IMPORTANT NOTE

1. This plan was prepared for the sole purpose of the design for the specific purpose of recording the location, nature and extent of the proposed works and is not to be used for any other purpose, use or matter. The plan is provided without the assumption of a duty of care to any other person (other than the Client) (hereinafter referred to as the "Third Party").
2. RPS Australia East Pty Ltd will not be liable for negligence or otherwise for any direct or indirect loss, damage or injury suffered by any Third Party.
3. RPS Australia East Pty Ltd relying on information provided to it by the Client or a Third Party where the information is incorrect, incomplete or inconsistent.
4. Any person or other body with information or data sourced from a Third Party.
5. RPS Australia East Pty Ltd relying on surface indicators that are incorrect or inaccurate.
6. The Client or any Third Party not verifying information in this plan where recommended by RPS Australia East Pty Ltd.
7. RPS Australia East Pty Ltd is not responsible for the accuracy, reliability, suitability or completeness of any approximations or estimates made or referred to by RPS Australia East Pty Ltd in this plan.
8. Without limiting paragraph 1 to 3 above, this plan may not be copied, distributed, or reproduced by any person unless the mode is clearly displayed on the plan.
9. Scale shown is correct for the original plan and any copies of this plan should be verified by checking against the raw data.
10. The type of instrument used has been determined from information from the construction contractor and has not been verified. All signs are round concrete unless shown otherwise. Other information has been obtained from design and construction information provided by Third Parties and should be checked before use.

CERTIFICATION

RPS Australia East Pty Ltd (ACN 005 531 086) Registered Surveyor, certifies that the location, nature and extent of the proposed works and the information on this plan has been determined from information from the construction contractor and has not been verified. All signs are round concrete unless shown otherwise. Other information has been obtained from design and construction information provided by Third Parties and should be checked before use.
