General funding conditions for an approved project—SGFA, IEDG and RRP

4.0 Head Funding Agreement and Project Schedule

Recipient councils will be required to execute a Project Funding Schedule under their Head Funding Agreement with the State.

The State has no obligation to provide funding to a recipient council until the Project Funding Schedule has been executed by the council and the state.

Once executed, the Project Funding Schedule and certain parts of the Head Funding Agreement will constitute the "Project Funding Agreement" with a council for the approved funding.

The Project Funding Schedule will set out the arrangements for payment of the approved funding to a recipient council in accordance with a Milestone Schedule set out in the Project Funding Agreement.

If the Department makes any changes to the current program requirements these guidelines will be updated accordingly, and Council will be informed in writing.

4.1 Payment Schedule

The Department will make a payment according to the following schedule:

Payment schedule	Milestone
First and Final Payment (100% of approved funding allocation across the three programs)	<p>The Department will make the first and final payment to the Organisation following:</p> <ul style="list-style-type: none"> (a) Ministerial approval of the 2022-23 grant allocation across the three programs; and (b) Upon receipt and acceptance by the department of a completed Project Completion and Acquittal Report submitted via eGrant for: <ul style="list-style-type: none"> • 2021-22 SGFA • 2021-22 IEDG • 2021-22 RRP; and (c) execution of a Project Funding Schedule for each funding program, signed by the recipient council and the State.

Subject to the terms of the Project Funding Schedule, the recipient council agrees the approved funding is a subsidy only, and the organisation will meet all other associated costs.

The approved funding amount will not exceed the total detailed in the Project Funding Schedule.

Payments will be paid by electronic transfer. Payment by way of electronic transfer is subject to the recipient council completing the payment by electronic funds transfer form provided by the Department.

The recipient council agrees to return any unspent funding for the financial year, or an agreed proportion of the approved funding to the Department, if the conditions outlined in Project Funding Schedule and these funding program guidelines are not met to the satisfaction of the Department.

4.2 Acknowledgement requirements

The recipient council, as per Clause 10 in the Head Funding Agreement, agrees to acknowledging the Department's funding contribution in accordance with the Funding Acknowledgement Guide. This can be found on the Department's website at [Funding Acknowledgement Requirements June 2021 \(statedevelopment.qld.gov.au\)](https://www.statedevelopment.qld.gov.au)

4.3 Approved project acquittal

Acquittal is deemed to be affected at the time of execution of the project funding schedule by both parties and the receipt of grant funding by Council.
