Dear Ms Weightman

APC2024/005 – Change application for an SDA approval for a material change of use for special industry (high purity alumina processing plant) and linear infrastructure facility in the Gladstone State Development Area (SDA)

Receipt of your change application for an SDA approval for special industry (high purity alumina processing plant) and linear infrastructure facility in the Gladstone SDA is acknowledged. The application was deemed properly made on 19 June 2024 in accordance with section 84D of the *State Development and Public Works Organisation Act 1971*.

In accordance with Schedule 2, Part 2, section 2.1(4) of the Gladstone SDA Development Scheme (May 2022), the Coordinator-General has determined that your change application will be processed without requiring additional information at this stage of the assessment process.

The application will be referred to the following referral entities for their assessment and to identify if any additional information is required:

- Civil Aviation Safety Authority
- Department of Environment, Science and Innovation
- Gladstone Regional Council
- Office of Industrial Relations (Major Hazard Facilities Unit).

The application will also be provided to Orica Yarwun for comment as a third party, given their proximity to the proposed change application.

If the Coordinator-General receives any requests for additional information from the referral entities, the Coordinator-General will coordinate the request and forward it to you for your response.
