Complete and delete rows where applicable. No further analysis is required.

Proposal type	Details
Minor and machinery in nature	This proposal is minor and has zero regulatory costs.
Regulatory proposals where no RIA is required	The proposal relates to deregulation through removal of the Fraser Island strategic environmental area and its environmental attributes, and improved readability of the Regional Planning Interests Regulation 2014 by relocating a particular definition to the relevant section in the regulation. No regulatory impact analysis is required under the Better Regulation Policy.

*Refer to *The Queensland Government Better Regulation Policy* for regulatory proposals not requiring regulatory impact analysis (for example, public sector management, changes to existing criminal laws, taxation).
